Schools Buddy and Fixtures....

- There is **no need** to book onto Schools Buddy if your child has been selected for a fixture.
- An accurate team list will be left with School Reception so the staff know who is playing a match.
- This is the same for both Home and Away matches.

Note....

You must note the return time for the match.

If the match finishes at 5pm you may need to book 5pm to 6pm Prep session for your child.

Equally your child can be collected at the end of the match.

If you are collected from the pitch-side/changing room, please 'check out' with the teacher.

Spectators...

We love having parents and carers come to support our teams and players both home and away, so please, if you are able to, come along!

Of course we urge you to remember the following:

- The players are children
- They are developing their skills in a game
- The matches are friendly – its not the World Cup
- The referees are teachers who are helping the players to love the game and learn
- We advocate 'Silent Sidelines'
- and only show your appreciation of the efforts and successes of the children

We want the children to want to come back each week!
