Guardianship Agreement

For details of how we use your data, please refer to our privacy notice on our website.

This agreement forms part of the admissions documentation for parents who spend a significant amount of time out of the country, or for those who are entirely resident outside the UK. All overseas students at Sidcot School, or students whose parents spend significant periods of time overseas, must have an educational guardian for the whole time that they are enrolled at Sidcot School. This agreement must be completed to the School's satisfaction by those with parental responsibility, and individual guardians or the guardianship agency and returned to the Registrar before a student starts their education at Sidcot.

A guardian **must be** appointed by parents before the student arrives in the United Kingdom.

The choice of guardian is entirely the responsibility of the parent and the School accepts no legal responsibility for any guardianship arrangements.

The School does however expect the guardianship arrangements to be satisfactory and to meet the expectations outlined in this document.

In cases where there is no family friend or relative to adopt the role of guardian living within 50 miles of the School, the School requires a reputable guardianship organisation to be appointed – for example AEGIS. Sidcot School is a member of AEGIS which is a national body for monitoring and regulating the welfare of international students and provides accreditation of guardianship organisations in line with the National Minimum Standards for Boarding and guidance from Ofsted.

Contact details for AEGIS are as follows:

The Wheelhouse,
Bond's Mill Estate, Bristol Road
Stonehouse,
Gloucestershire.
GL10 3RF.

01453 821293

I/We agree that the duties of an individual guardian or guardian appointed through a guardianship agency include the following responsibilities:

- To provide a 24 hour point of contact on a daily basis throughout the School term on matters including health, educational progress and discipline. In the event that the appointed guardian will be overseas or otherwise prevented from fulfilling their duties; they will inform the School of the alternative arrangements that they may have made;
- To assist parents to complete paperwork and online forms (for example if English is not their first language);
- To give permission for routine medical treatment to be undertaken - for example immunisations, dental and optical work, and essential / emergency medical treatment in the event that the student's parents are not readily contactable;
- To accommodate the student in the event of illness or recuperation from illness, or in the event of a fixed term exclusion / the student being asked to leave the School;
- To provide appropriate accommodation during the half term holiday and weekends when the student is away from School as required, or to make suitable arrangements for the student's accommodation if unable to provide the accommodation personally;
- To inform the School in writing of any medical treatment or procedures that have taken place in the guardian's care upon the student's return to School;
- To arrange transport for the student at the beginning and end of term and half term, specifically:
 - The guardian will notify the School in writing of the travel arrangements for the return to School and the return home a minimum of 2 weeks in advance. The guardian must inform the Boarding House of the mode of transport for the arrangements (for example flight numbers, times etc.) and where the student will be staying when away from School. This is a requirement for UK Border Control for students with study visas.
 - If the student needs to leave the Boarding House prior to 7am at the end of term to commence their return journey home, the guardian will arrange with the Boarding House for the student to leave the Boarding House the night before and stay accompanied in appropriate accommodation.
 - The guardian will take responsibility for arranging transport in the UK to ensure the student's arrival at School at the beginning of term is no earlier than the published time on the published date.
 - The guardian will arrange for suitable transport to return the student to School. If this return is later than the published start of term, the Boarding Houses must be informed. If there is to be greater than a 48 hour delay in returning after the start of term, or a request to leave the School more than 48 hours before the end of term, the Headmaster's permission must be sought.
- To provide the necessary consent for any arrangement for the student when staying away from School, for example when visiting the family of another student or friend.
- To attend parents' consultations or other important meetings at the School.
- To communicate with the School on a regular basis regarding the student's wellbeing and progress.

To be completed by parents / those with parental responsibility

I/We confirm that we have appointed.....
as guardian / guardianship agency to fulfil the duties above. In addition we confirm that the guardian:

- Is over 25 years of age.
- Resides within 50 miles of the School.
- Is not a student living in accommodation provided by another educational institution.
- Has suitable accommodation available for the student.
- I/we will advise the school of any change to the appointed guardian's circumstances or if the guardian is unavailable, in which case I/we will make alternative arrangements.
